

CUSTOM MADE ITINERARY FOR MIRAGE TRAVEL**PLACES COVERED: DAMBULLA-NUWARA ELLIYA-ELLA-BENTOTA-COLOMBO****DAY 1 – ARRIVAL TO SRI LANKA – DAMBULLA****WELCOME TO SRI LANKA!**

On arrival at the Bandaranaike International Airport, you will meet your representatives and transferred directly to Hotel in Dambulla.

Pinnawala: As you enter the 25-acre coconut property, do not be surprised to witness baby elephants being bottle fed or moving around freely causing absolutely no harm to anyone. It is rightly a sincere sight to observe how these gentle giants - orphaned and sometimes three-legged - are taken care of since 1975 at Pinnawela Elephant Orphanage. Up to date, over 20 calves have been born here, and it is surprising to hear that some of its inmates have even seen their grandchildren during the past few decades! Watch as they feed at 9:15 am, 1:15 pm & 5:00 pm and take a river bath twice a day at 10:00 am & 2:00 pm respectively for an experience that could never be felt anywhere else on earth!

Check in at the hotel and relax.

Evening visiting the Dambulla cave temple (optional)

Dambulla Cave Temple is Sri Lanka's greatest Cave Temple complex; the walls are alive with frescoes of religious and secular scenes and beautiful geometric designs in warm oranges and golds. People have sheltered under the overhang of the smooth, water-marked granite outcrop at Dambulla, in the centre of the island, for millennia. In this intimate setting sit hundreds of statues of Buddha and bodhisattvas, many carved directly from the cave rock, the largest of which is a 15-metre carving of Buddha recumbent. Hindu kings and deities are also represented. Cave Two has around 1,500 images of Buddha on its walls, some showing him struggling with temptations, demons, or cobras.

They start with keeping an eye on the nesting mother turtles, bringing their eggs to the secure environment of the hatchery and finally releasing the baby turtles into the sea on the day of their birth. However, if there are complications, they tend to them and release them only once they’re fit to go into the vast ocean.
